- No early repayment charges following the end of the fixed period
- Interest calculated on a daily basis
- Following the fixed rate or tracker period the interest rate will revert to our residential Standard Variable Rate, currently 4.99%
- Monthly payments must be made in arrears by direct debit on the first working day of each month
- The minimum loan size is £50,000
- The maximum loan to any individual, together with connected persons is £750k
- Product fees are non-refundable and may be paid up front or added to the mortgage on completion where they will incur interest as part of the loan
- As with all mortgages, if the mortgage is repaid after the end of the fixed or tracker period, interest to the date of redemption will be payable
- Our mortgage products are portable and if you move house can be applied to your new property. If you have a fixed rate mortgage and the mortgage required for the new property is lower an early repayment charge, as detailed above, will be payable on the difference between the two loans
- Our mortgage products can be withdrawn at very short notice
- On fixed rate mortgages, lump sum payments of up to 10% may be made early without charge each year. For the purposes of this calculation, a year is defined as starting on the commencement of the loan and on the anniversary thereafter; the amount is up to 10% of the balance outstanding on that date. This facility cannot be rolled over into subsequent years if the facility is not used in any one year
