

**SKIPTON
INTERNATIONAL**

**General Terms and Conditions
for Savings Accounts
October 2022**

GENERAL CONDITIONS

1. These Terms and Conditions, as amended from time to time, (the "Conditions") apply to any savings account ("account") which one or more persons ("you") hold with Skipton International Limited ("us" or "we").
2. You may invest with us on your own behalf, as trustees (not nominees) for individuals, as partners, or as bodies corporate, provided that corporate accounts are not used directly for trade.
3. All transactions concerning your account are to be undertaken at our principal place of business in the Island of Guernsey being Tudor House, The Bordage, St Peter Port or at such other place in the Island of Guernsey as we may notify to you from time to time (the "Guernsey office"). All notices concerning your account must be served on us at our Guernsey office or via Skipton International Online. No deposits or withdrawals or other transactions may be affected elsewhere.
4. In the event that there is any difference between the Conditions and the specific terms and conditions relating to a particular type of account or to the provision of a particular service, the specific terms and conditions will apply.
5. In the Conditions, "working days" do not include Saturdays, Sundays, bank holidays or public holidays on the Island of Guernsey.
6. We are licensed under The Banking Supervision (Bailiwick of Guernsey) Law 2020. Your account does not constitute an investment in Skipton Building Society, and you have no membership rights or voting rights in that institution by virtue of your account with us.

PERSONAL DETAILS

7. You must provide the following as a minimum requirement before your application to open an account will be accepted in order that we comply with the requirements established by the Guernsey regulator, including:
 - (a) your full name together with any previous names you may have had;
 - (b) your residential address and correspondence address (if appropriate);
 - (c) your date of birth;
 - (d) your nationality;
 - (e) your occupation and the name of your current employer (or prior employer if retired);
 - (f) the country (or countries) in which you are tax resident and your tax identification number(s);
 - (g) annual or regular income, e.g. through employment or pension;
8. You must, as soon as possible, tell us in writing if you change your name, address, email, or telephone numbers. If you change your name and/or address, we may require production of such evidence as we deem appropriate. Post Office box numbers and care-of addresses will not normally be accepted.

If you move your country of residence you must advise us. The services we are able to provide depend on your country of residence. If you move country, there is a chance that we may no longer be able to keep your account open.
9. You must advise us of any change to your tax residency status or your Tax Identification Number and provide us with a suitably updated Self Certification and Declaration Form (available at <https://www.skiptoninternational.com>) within 30 days of such a change in circumstances.
10. We will send all notices and correspondence regarding your account to the address that you have provided to us on your application form or to a modified address that you have given us. Where customers have signed up to Skipton International Online, this information will be provided by secure messaging through Skipton International Online. We do not provide the facility to withhold mail on any account.
11. On our request, you must supply to us a specimen of your signature and/or the signature(s) of any individual(s) who you have formally authorised to act on your behalf.
12. (a) You must supply to us such evidence as we may require from time to time to confirm:
 - (i) your identity;
 - (ii) the identity of any person for whom you are acting;
 - (iii) your residential and/or correspondence address;
 - (iv) the identity and/or address of any third party who will be receiving post on your behalf;
 - (v) any other information which, in our opinion, is necessary for our compliance with any applicable anti-money laundering, anti-terrorism or any other legal or regulatory requirements.All documents must be supplied in English.
- (b) We may make any enquiries we consider necessary, such as, to confirm your identity, occupation, source of wealth, etc., and (if appropriate) the identity of those persons described in Section 12 (a) (ii) and (iv) above.
13. No transactions are permitted until you have satisfied our due diligence requirements and the account opening process has been completed.
14. Funds must be deposited into a new account within the period set out in the account's terms and conditions. We reserve the right to close any accounts that do not have any funds deposited in that period.

JOINT ACCOUNTS

15. An account may be jointly held by up to four people (unless the specific terms and conditions of the account do not allow it to be a joint account), on condition that:
- (a) only one correspondence address may be registered in relation to the account, irrespective of the number of account holders, and we will send communications relating to the account to that address. For Skipton International Online accounts, each account holder must register one e-mail address.
 - (b) any order, request or authorisation for a payment or transfer of money from the account must be signed by all joint account holders; unless all joint account holders authorise us (either on the application form or later by letter) that one or more of the account holders, or an agent, can sign on behalf of all account holders ("single signatory authority"). Skipton International Online is only available for accounts with single signatories, therefore any notices, instructions, agreements, consents or information provided by one signatory is deemed to be given by all account holders. Any such single signatory authorities that are outstanding may be revoked by any joint account holder by sending us notice to our Guernsey office;
 - (c) any liability of joint account holders to us will be joint and several. This means that joint account holders are liable to us not only together, but also as separate individuals for any amount due to us;
 - (d) we will treat all joint account holders as being entitled to all money in the account. In the event that we become aware of a breakdown in any relationship between joint account holders (whether we have been formally advised or not), all signatures will be required to operate the account and transactions via Skipton International Online will be disabled. We will not recognise or be concerned as to any division of ownership of the money between the account holders and/or other persons (unless we are specifically required to do so by law). However, if a single signatory instruction has previously been given in relation to a joint account, any account holder may revoke that instruction as referred to in Section 15 (b) above.

COOLING-OFF PERIOD

16. From the date that your account has been opened, you have a 14-day period (the "cooling-off period") where you may change the savings product of your account or fully withdraw your account balance with any accrued interest. During the cooling-off period, we will also waive any notice period or fixed end date linked to the account product type. However, we will not accept any liability for any adverse currency movement.

THIRD PARTIES

17. We will not be bound to recognise any interest or claim in or over the money in your account made by any third party, unless we are required to do so by law. We will not be liable to you in any way for not recognising any such interest or claim.

CONFIDENTIALITY, DATA PROTECTION AND ANTI-MONEY LAUNDERING

18. (a) We will maintain and preserve our duty of confidentiality over your financial affairs in accordance with Guernsey Law and accepted international banking practice. We will not disclose personal information to anyone other than in the following circumstances:
- (i) where we are compelled to do so by law, regulation or by order of a competent court, tribunal or regulatory or tax authority;
 - (ii) where there is a legal duty to the public to do so;
 - (iii) where our legal interest or the legal interest of Skipton Building Society or any of their respective officers or employees requires disclosure;
 - (iv) where disclosure is made to any subsidiary or holding company of us, or to any subsidiary of our holding company;
 - (v) where disclosure is made to any of our professional advisers for the purpose of obtaining professional advice;
 - (vi) where disclosure is made to credit reference and fraud prevention agencies and other companies that provide a service to us or to you;
 - (vii) where we may transfer rights or obligations in relation to these conditions or your account;
 - (viii) where the information disclosed is already in the public domain; or
 - (ix) where disclosure is made at your request or with your consent or is otherwise permitted by these conditions.
- (b) We will comply with the Data Protection (Bailiwick of Guernsey) Law 2017 (as amended or replaced) when obtaining and processing personal data about you. Our Privacy Policy explains how and why Skipton collects, uses, stores and transfers your personal data and can be found at www.skiptoninternational.com.
- (c) Information may also be processed for the purposes of complying with applicable laws, including anti-money laundering and anti-terrorism laws and regulations.
- (d) We may take whatever action we consider appropriate to meet any obligations relating to the prevention of fraud, money-laundering and terrorist activity and the provision of financial and other services to persons who may be subject to sanctions. This may include, but is not limited to, investigating and intercepting payments into and out of your account and investigating the source of or intended recipient of funds. It may also include making enquiries to establish whether a person is subject to sanctions or has a history of criminal activity. Exceptionally, this may delay the carrying out of your instructions or the receipt of cleared funds.
- (e) Telephone calls to or from us (or someone acting on our behalf) may be monitored and recorded by us (or someone acting on our behalf) for future reference, quality assurance, and training purposes.
- (f) You agree that we may use any contact details you have provided to us, including your postal address, telephone number(s) (including your mobile telephone number) and email address to contact you for service or operational reasons. These include telling you about

changes to the Terms, including interest rates, that apply to your account(s) and generally communicating with you about the day-to-day running of your account(s), products and services. You agree that we may also contact you using our secure e-message service within Skipton International Online for these purposes. You must ensure that the contact details you provide are accurate and that you notify us promptly of any changes, including to your email address, telephone number(s) and postal address. Remember, communications may contain confidential information and if anyone else has access to your email inbox or mobile telephone messages, for example, they may be able to access these communications.

RESTRICTIONS

19. At our discretion, we may refuse to accept your application to open an account with us or to record a transfer of entitlement to an existing account, unless we are required to by law. We shall incur no liability for any losses which you may suffer or incur in such circumstances.
20. (a) We may impose at any time and without notice a minimum requirement:
 - (i) for the amount which must be held in your account;
 - (ii) for the amount of any one deposit which may be made into your account; or
 - (iii) for the amount of any one withdrawal which may be made from your account. If a withdrawal reduces the balance in your account below the minimum amount imposed under Condition (i) above, we shall be entitled to charge maintenance fees on the account and/or pay such a rate of interest as we consider appropriate on such balance and/or to close the account.
- (b) We may limit at any time, and without notice, the amount which you can withdraw from your account with us in any period.

EARLY REPAYMENT

21. We may decide, at any time and without giving you any reason, to repay to you, or any person authorised by you, the amount due to you in whole or in part on any or on all of your accounts with us together with interest accrued, and close your account.

DEPOSITS INTO AND WITHDRAWALS FROM YOUR ACCOUNT

Deposits

22. Accounts held with us can only be denominated in pounds sterling or US dollars. Funds sent in any currencies other than pounds sterling or US dollars will be converted to the appropriate currency at the prevailing rate of exchange at the time of the transaction and with a charging structure determined by our bankers. This conversion may be performed without any further reference to the account holder. Accordingly, any currency exposure risk will remain with you and no liability in this respect is accepted by us.

Deposits may only be made at our Guernsey office in person, by post or by electronic transfer.

23. We will only accept pounds sterling cheques drawn on a UK bank. We will not accept cash deposits, bankers' drafts or travellers' cheques.
24. We will not accept crossed cheques, or cheques which are payable to payee only, when they are made payable to a person whose name is different to the name on the account into which you wish to pay the cheque. For example, if Mrs M A Smith has an account in her name only, she cannot pay into that account a cheque made payable to Mr and Mrs Smith because Mr Smith is not named on the account. However, if Mrs M A Smith and Mr J W Smith have an account in their joint names, cheques made payable to either Mrs M A Smith or Mr J W Smith can be paid into their joint account, because they are both named on the account.
25. Inward payments sent to Skipton must quote your Skipton account number as a reference to be given good value. Should payments come without either your account number or quoting a closed or incorrect account number, there may be a delay in crediting the funds whilst an investigation is completed.

We reserve the right to refuse a payment into your account and are not obliged to provide a reason.

Withdrawals

26. Withdrawals will only be made against cleared funds by way of electronic transfer. Withdrawals cannot be made in cash or by cheque. Withdrawal forms will be available from us on request. We cannot guarantee the date and time of receipt of an electronic transfer.

Instructions will only be accepted up to 12:00pm Guernsey time on any working day.

We will not be liable to you for any loss you may suffer if a withdrawal is not made or received on the date or time requested or expected; nor will we be liable for the value given to foreign currencies by a beneficiary or intermediary bank.

27. It is essential that the correct beneficiary account details and any references are provided in full, for example electronic transfers: beneficiary name, beneficiary address, bank name, sort code and account number; SWIFT: beneficiary name, beneficiary address, bank name, SWIFT code/BIC and account number or IBAN. Additional charges may be levied if we have to investigate missing payments and we will not be held responsible for the retrieval of missing funds if we have been provided with incorrect account details.
28. Withdrawals may be requested in the majority of the world's major currencies by SWIFT international transfer. Any currency exposure will remain with you and no liability in this respect is accepted by us. SWIFT payments can take 3-5 working days or occasionally longer to reach the beneficiary bank and agents' charges may be payable on such transactions.
29. We do not guarantee access to foreign exchange markets and availability of this service is on a best endeavours basis.
30. You can normally withdraw funds which relate to a cheque you have paid into your account after confirmation has been received by us that it has been cleared. Seven working days should be allowed for this purpose, starting from the day following receipt by us.
31. Withdrawals in favour of third parties will only be issued against written instructions (or emailed with prior agreement) received from Corporate Clients. On receipt of an original signed instruction from Corporate Clients, third party payments may be made at our discretion; however, we are entitled to request additional proof of authenticity of the instruction prior to making the payment.

32. There is no limit on the amount that you may withdraw in any transaction, provided that the transaction is not drawn against uncleared funds and does not cause your account to go overdrawn or to fall below any required minimum balance of your account as specified by us from time to time in accordance with Section 20.
33. If a cheque paid into your account is dishonoured, we will deduct from your account the amount of that cheque and any interest we have paid on it plus any charges incurred. No interest will be accrued or added to your account in relation to a cheque which is dishonoured.
34. No corporate funds can be accepted unless clear ownership and verification of identity documents have been provided.
35. Instructions delivered by telephone or email cannot be accepted unless prior arrangements have been made with us. We are, at our discretion, entitled to request additional proof of authenticity of your instructions.
36. We reserve the right to delay acting on instructions until we have sufficiently proved their integrity (which may involve contacting you) and/or we have completed other fraud prevention checks.
37. We may refuse to carry out or allow any transactions on your account at our absolute discretion if, and for as long as, we are not reasonably satisfied as to any of:
 - (a) the identity or authority of:
 - (i) any person attempting to carry out the transaction;
 - (ii) any person for whom you are acting on behalf of;
 - (b) the lawfulness of the transaction;
 - (c) the irrevocable clearance of any funds required to meet the transaction;
 - (d) the performance of these or any other applicable conditions; or
 - (e) the clarity of the instruction.
38. There may be delays in carrying out your instructions while anti-money laundering measures or actions relating to monitoring fraud prevention take place.
39. We reserve the right to not act upon any instruction and the right to restrict, at any time, the amount which can be withdrawn from any account and are not obliged to give a reason for our inaction or restriction. We shall incur no liability for any losses which you may suffer or incur in such circumstances.
40. Future dated withdrawals will be made subject to clauses 26-39.
41. You may make payments to previously authorised Nominated Accounts through Skipton International Online, using your User ID and providing other security information that is personal to you. We may notify you from time to time of changes in the security information that we may require for accessing Skipton International Online. When you have provided your payment instructions, you may be asked to confirm those instructions. Providing payment instructions will be your agreement for us to make payment.
42. You may make withdrawals by providing instructions over the telephone to previously authorised Nominated Accounts provided a password/passcode has been configured that is personal to you and other security requirements are met. We may notify you from time to time of changes in the manner that passwords/passcodes may be used or our requirements for passwords/passcodes to be configured. When you have provided your payment instructions, you will be asked to confirm those instructions. This will be your agreement for us to make payment.

STATEMENTS AND ADVICES

43. A statement will be generated annually after interest capitalisation or on closure of an account.
44. If you have a dispute with any entry on a statement or an advice, you should inform us in writing as soon as possible following its receipt. Unless you object to us in writing within three months of the date of the statement or advice, then you shall be deemed conclusively to have accepted all the matters contained in such documentation as being true, accurate and authorised in all respects. We shall have the right to amend any aspect of your account in respect of any error or omissions arising therein, and where such amendment is affected by us we shall not be held responsible for any loss arising to you.

INTEREST AND CHANGES TO INTEREST/CHARGES

45. Information about our current rates of interest on our various accounts is available at our Guernsey office and on our website. Subject to the specific terms and conditions of particular types of account;
 - (a) interest will accrue on an account:
 - (i) from the day on which we receive an electronic transfer, provided we receive that transfer prior to 2:00pm Guernsey time on that day, otherwise from the next working day; and
 - (ii) after three full working days from and including the day on which we receive a sterling cheque
 - (iii) until (but not including) the day of withdrawal;
 - (b) interest is calculated on a daily basis:
 - (i) Sterling interest is calculated on an actual / 365-day basis, except for leap years where interest is calculated on an actual / 366-day basis.
 - (ii) US Dollar interest is calculated on an actual / 360-day basis.
 - (c) We may change at any time (whether or not with immediate effect) any rate of interest to be paid, on any account for any of the reasons set out in Section 86, in which event we will notify you within 30 days of the change by letter or via Skipton International Online or other personal notice. However, we will endeavour to change any rates of interest at least 10 working days after the date the notification is despatched.

- (d) Interest is credited to your account annually or monthly in accordance with the terms and conditions of individual account types and your instructions as detailed on your original Application Form. When requested, payment of such interest from your account will be made on the following working day:-
- To your nominated account by BACS and will be received in the beneficiary's account after a further two working days.
 - To another Skipton account without the interest being credited earning further interest on the day of transfer.
- (e) We will pay you gross interest and we will advise you of the amount paid by issuing you a statement of your account. If you require any additional certification of any interest paid or accrued, a charge will be levied.

46. We reserve the right to charge for certain transactions and other services and such charges may be varied from time to time without notice. Please see our Savings Tariff of Charges, available on our [website](#).

AUTOMATIC EXCHANGE OF INFORMATION (AEOI)

47. (a) We will pay you gross interest and we will advise you of the amount paid by issuing you a statement of your account. However, AEOI is an international initiative to allow tax authorities to exchange financial account information. It incorporates both US Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS) to which many countries have signed up. As required by law, we will submit annual reports to the Guernsey Income Tax Authority who will, in turn, collate and pass this information to the tax authorities of any Participating Countries in which you are tax resident.

(b) AEOI affects both personal and business customers who are tax resident in any of the countries that have signed up to CRS or anyone who is treated as or suspected to be a "US person" for tax purposes.

(c) Information reported will meet the requirements of FATCA, CRS, the Guernsey Tax Office and applicable laws and regulations, which may change from time to time.

Further details on CRS and a list of the countries which have signed the agreement can be found here: <http://www.oecd.org/tax/automatic-exchange/>

Information relating to FATCA can be found here: <https://www.irs.gov/businesses/corporations/fatca-information-for-individuals>

CLOSING ACCOUNT AND TRANSFERS

48. (a) In addition to Section 21, we may also close your account(s) with us if:
- (i) for a period of three years, you have not made any deposit or withdrawal to or from your account(s) with us; or
 - (ii) we cannot contact you after we have made reasonable enquiries.

We may at any time reopen an account closed in this way and recredit the amount that was in your account at the time we cancelled it.

(b) You may close your account by advising us in writing by post, telephone, by Skipton International Online or attending our Guernsey office in person.

49. Any person becoming entitled to your deposit in consequence of bankruptcy or incapacity may, upon such evidence being produced to our satisfaction and upon the payment of such fee (if any) as we may from time to time require, be registered as holder of your deposit. If registration is not effective, we may pay the deposit to the person we understand to be so entitled, with interest thereon up to the date of repayment at the rate currently being paid on that type of deposit.

50. We reserve the right to transfer the balance in your account to another subsidiary of Skipton Building Society, offering similar deposit facilities, providing that the core terms and conditions of the account shall remain unchanged. We will give you reasonable notice before we make any such transfer.

51. If your account is closed, either by us or by you, you must pay us all charges, interest and any other sums owing on your account.

52. We reserve the right to not act upon any instruction and we are not obliged to give a reason for our inaction or closure of your account on the basis of any legal or regulatory grounds. We shall incur no liability for any losses which you may incur in such circumstances.

53. We may transfer your funds from your existing account(s) to other account(s) that we believe are appropriate if your existing account(s) are no longer going to be offered by us, or if we introduce/amend eligibility criteria for such account(s) and you do not meet this. We will give you at least 30 days notice of this. You can close your account within 14 days of it being converted without any charge or interest being applied (if applicable) for doing so.

LIABILITY

54. Unless we are specifically required to do so by law, neither we, nor any of our officers, agents or employees, shall be responsible for any unauthorised withdrawal from your account except where previous notice of the possible or actual loss of any statement, withdrawal form or other account record has been confirmed in writing to us, by secure messaging or given by telephone and immediately confirmed in writing to us.

55. Neither us nor any of our officers, agents or employees shall be liable for any losses suffered by you as a result of any transaction or service provided to it except to the extent that such losses are a direct result of our wilful default, fraud or gross negligence. In particular, without limitation, we shall not be liable for any losses, costs, obligations or expenses:

- (a) incurred as a result of causes or conditions beyond our reasonable control, including but not limited to a breakdown or failure of transmission, communication or computer failures, industrial action, adverse market action, regulatory or government action, or the failure of any exchange or clearing house;
- (b) attributable to any act or omission of any agent appointed by us in connection with our services to you, provided that we have not acted negligently in selecting such agent or in monitoring its performance;
- (c) arising from any suspension of any instructions by you; or

- (d) arising from any unauthorised withdrawal from your account except where previous notice of the possible or actual loss of any statement, withdrawal form or other account record has been confirmed in writing to us, by secure messaging or given by telephone and immediately thereafter confirmed in writing to us.

MISCELLANEOUS

- 56. Any letter, notice or other document sent to you by post addressed to you at your last notified address shall be deemed to have been duly delivered 48 hours after having been posted to the UK and Crown Dependencies or generally 120 hours after having been posted elsewhere. Any communication provided to you by Skipton International Online Secure Messaging or email shall be deemed to have been duly delivered on the day of despatch.
- 57. We cannot be held responsible for the integrity or security of your e-mail. Whilst we make all reasonable attempt to exclude computer viruses from our websites and Skipton International Online, we cannot ensure exclusion and no liability is accepted for computer viruses or similar.
- 58. We reserve the right, in our sole and absolute discretion, to set-off balances and to consolidate or combine any of your accounts if it is deemed necessary and such a right shall extend to all accounts (including mortgages) that we hold on your behalf. We may at any time and without notice apply any credit balance to which you are entitled towards satisfaction or payment of any and all sums due and payable by you to us.
- 59. Subject to any applicable anti-money laundering requirements;
 - (a) if we have any reason to believe, in our sole and absolute discretion, that funds have been deposited into an account by you in connection with fraudulent or criminal circumstances; or
 - (b) if there is a disagreement, known or implied, about who owns or is entitled to control the money in your account (including a joint account);

We shall be entitled (but not obliged) to freeze all or any part of the funds in such account without notice to you and without being liable for any loss you may incur as a result of such action.

THIRD PARTY AUTHORITY

- 60. If you would like to authorise another person to operate your account(s), you (including all joint account holders) will need to sign a Third Party Mandate, available on our website. If you authorise another person to operate your account then you will be responsible for their actions or omissions as if they were your own.

FRAUD PREVENTION

- 61. We may carry out certain checks on transactions on your account as part of our fraud prevention measures.
- 62. As part of these fraud prevention measures, we may need to speak with you to re-confirm the details of some payments, or we may need to ask you additional security information. We will tell you when this is the case. If we need to speak with you but cannot do so for any reason, we will only make the payment if we believe it is genuine. Our fraud prevention measures may lead to the payment being delayed.
- 63. If we believe there is suspicious activity on your account, we may contact you by post, telephone (including mobile phone), email, mobile messaging or secure e-message. We may leave a message to ask that you call us. Upon our request you must contact us as soon as possible. In respect of payments, if you do not reply to us, we will assume you have not authorised the transaction and it will not proceed.
- 64. You must read your statements carefully when they are received or made available on Skipton International Online. To help us prevent fraud, if you do not recognise any transaction shown on your statement or if you think any payment you have authorised has been executed incorrectly you must tell us immediately by telephone. If you do not tell us promptly (at the latest within three months of the date the transaction was deducted from your account), you may not be entitled to have any errors corrected.
- 65. You will be responsible for all losses if you act fraudulently or if you allow another person access to your security details (including security devices, passwords/passcodes or other details which allow you to use Skipton International Online or Telephone Banking) or your account.
- 66. You will be responsible for all losses arising from unauthorised transactions on your account resulting from:
 - (a) you acting fraudulently;
 - (b) you intentionally, or with gross negligence, failing to use your account in accordance with these Terms and Conditions; or
 - (c) you intentionally, or with gross negligence, failing to notify us in accordance with Section 69 of the loss or theft of any security device, password/passcode or other personalised details.
- 67. You must take all reasonable precautions to keep safe and prevent fraudulent use of any security devices (whether provided as a physical device or a software application) and security details (including usernames, passwords/passcodes or other details) used to access your account or a Skipton service.
- 68. These precautions include, but are not limited to, all of the following as applicable: -
 - (a) never writing down or otherwise recording your security details in a way that can be understood by someone else;
 - (b) not choosing security details that may be easy to guess;
 - (c) taking care to ensure that no one hears or sees your security details when you use them. We are not responsible for the security of your account if anyone else overhears you speaking to us on the telephone or sees your security details;
 - (d) keeping your security details unique to your accounts with us;

- (e) not allowing anyone else to have or use your security devices or security details, and not disclosing them to anyone, including the police and us, except when registering for or resetting your security details (but even then do not disclose in full);
 - (f) keeping information about your account containing personal details (such as statements) safe and disposing of them safely. People who commit fraud use many methods such as searching in dustbins to obtain this type of information. You should take simple precautions such as shredding paper containing such information;
 - (g) changing your security details immediately and telling us as soon as possible in accordance with Section 69 if you know, or even suspect, that someone else knows any of those details, or if we ask you to;
 - (h) keeping your security devices and security details safe.
 - (i) when you call us, we will confirm your identity using our current security procedures. We may not be able to assist you if we are unable to identify you as our customer using our security procedures;
 - (j) keep any equipment accessing Skipton International Online secure by using appropriate software;
 - (k) you must not choose security information for equipment accessing Skipton International Online that can be easily guessed by anyone else, or tell anyone else what your security information is.
 - (l) never record any password/passcode or other security details on any software which retains it automatically (e.g., any screen prompts or 'save password' feature) unless retaining your password/passcode or security details is a specific function of a service provided by us;
 - (m) once you have logged on to Skipton International Online, do not leave the equipment from which you have accessed it or let anyone else use that equipment until you have logged off; and
 - (n) follow all security measures recommended by the manufacturer of the equipment you use to access Skipton International Online.
69. If any security device or security details are lost or stolen, or you suspect that someone has used or tried to use them, you must tell us without delay by calling us. If you need to call and lines are closed, please leave a message and we will block access to your account during the next working day (to re-set your relevant security details, you will need to call +44 (0) 1481 730730 during opening hours).
70. If asked, you must confirm in writing the loss or theft of your security details or security device.
71. We will ask you to co-operate with us and the police in relation to any investigation into the actual or suspected misuse of your passwords/passcodes, security device, security details and/or accounts. You must report any unauthorised transactions to the police within seven days of our request. We may also disclose information about you or your account to the police or other third parties if we think it will help prevent or recover losses.

SKIPTON INTERNATIONAL ONLINE

72. You should be able to view information or perform transactions on your accounts if you use Skipton International Online in a country outside of Guernsey. If you want to use Skipton International Online in a country outside of Guernsey, you are responsible for finding out whether it is lawful to do so in that country. You are responsible for complying with its local laws. We're not responsible for any losses that result if you break local laws;
73.
