Supporting Documents Required

For each applicant please ensure that you provide the following supporting documentation with the application. Failure to provide full and complete supporting documentation will naturally delay the application.

1. ID-Pal

Skipton International's preferred method for obtaining verified identity documents is by using ID-Pal, a digital identity verification solution that enables Skipton to securely verify customer identities in real time. It uses technologies like document scanning, biometric verification and data encryption to ensure compliance with ID verification requirements. To use ID-Pal, please use the QR code below, which will allow you to download the ID-Pal app. Once downloaded, simply follow the on-screen instructions to complete the verification process.

Please note that Channel Islands issued driving licences cannot be used for ID-Pal.

If your proof of address document has been downloaded as a PDF directly from your service provider, please upload a screenshot of your online portal homepage or the email received from your service provider as an additional document within the ID-Pal app.

If you prefer not to use ID-Pal, we will require certified copies of both your proof of identity and proof of address documents. Please see our Verification of Identity Guide on our website or the last page of the application form, which outlines the requirements for certified documents.

Please note: address verification through ID-Pal is not available in all countries, where possible, please upload a paperless, PDF bank statement or utility bill along with proof of source for where this statement was downloaded from, as this may allow us to certify your document for you. In such instances where address verification is not possible through ID-Pal, a certified verification of address document will be required. Please see our Verification of Identity Guide on our website or the last page of the application form, which outlines the requirements for certified documents.

If you supply Tax assessments to confirm your income, you will also need to complete the Business Questionnaire.

Skipton International reserve the right to;

- Request additional information/clarification from the accountant who has prepared the Accountants Certificate in relation to any information contained within in it.

*A tax identification number (TIN) is your tax registration number in your country of residence. We are required to obtain TINs, if possible. Where no TIN is available, please state why and supply documentary evidence from your tax office to support it:

Channel Island residents MUST provide Social Security Number, not tax reference.

The Guernsey and Jersey government have signed a number of inter-governmental agreements and the OECD Multilateral Competent Authority Agreement to share tax information, where applicable, with the tax authorities in other jurisdictions. The requirement to collect certain information about each customer's tax agreement is part of the Guernsey and Jersey legislation and as a financial services company we are legally obliged to collect it. We are asking for your tax residency and tax ID numbers (where applicable) and will record this on our records now, but will only disclose this information to the relevant tax authorities if and when we are required by Guernsey and Jersey law.

Your tax residence generally is the country in which you live for more than half a year, but there may be other criteria. Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be resident elsewhere or resident in more than one country at the same time (dual residency). The country/countries in which you pay income tax are likely to be your country/countries of tax residence. If you are a US citizen or hold a US passport or green card, you will also be considered tax resident in the US even if you live outside the US.

If you have any questions on how to complete this section we recommend you speak to your tax or legal adviser.
