

Properties / developments Skipton International will not lend against

Below is a list of properties against which we currently do not offer mortgages. This may be due to several reasons. These are ultimately commercial decisions made after careful consideration; the reason may not be disclosed.

- This list is not exhaustive and will be updated from time to time.
- Please note that developments may have various postcodes and not just those noted.

If you have a new build property, please refer to the Sales team as normal on +44 (0)1481 734000 or mortgagesales@skiptoninternational.com prior to submitting an application.
