Guidelines

To apply for a grant from the Fund you must be a non-profit organisation, looking to carry out a project in the Channel Islands to benefit the local community. A project may take the form of an event, exhibition, or fund-raising scheme. Applications for grants up to £5,000 will be considered. The total budget of your proposed project should not exceed £20,000.

Skipton is unable to provide grants to any of the following:

- Commercial organisations, galleries, enterprises, and exhibitions with a commercial slant or individual artists' commercial projects.
- Projects serving only specific sectors of the community based on ethnic, racial, political or religious grounds.
- Projects that may be construed as discriminatory.
- Projects with no community element.
- Projects which contradict Skipton International's brand values.
- Appeals for funding of projects which are not based in Guernsey, Jersey, Alderney, Herm or Sark.
- Appeals towards running costs including rent or wages.
- Projects aimed at restoration or upkeep of buildings.
- Appeals for holidays, residential trips or overseas travel.
- There must be at least three months from the date of your application to your proposed project.

Should you be successful in receiving a grant, you are agreeing to Skipton publicising the event on their website and social media platforms, as well as allowing the local press to cover the project, if relevant.
