- Monthly Payments must be made by direct debit on the first working day of each month.
- The maximum loan size to any individual, together with connected persons is £5 million.
- The minimum loan size is £100,000 for individuals (further advance £25,000).

- Should you choose to repay your mortgage facility in full prior to the early repayment date, an early repayment charge will be calculated against the total outstanding mortgage balance. Overpayments of up to 10% of the mortgage balance can be made in any one year without penalty. A year is defined from the date on which the mortgage was drawn or new product selected whichever is the latter.
