- Skipton International's valuations will become fee free for remortgages for a limited time. Exclusions may apply.
- Application Fee is to be submitted with the mortgage application.
- Limited issue offer. These products may be withdrawn at anytime.
- No early repayment charges apply following the end of the product period.
- Our mortgage products are portable and can be applied to a replacement new property, subject to meeting lending criteria at that time. If you have a fixed or discount mortgage and the mortgage required for the new property is lower an early repayment charge, as detailed above, will be payable on the difference between the two loans.
- Following the fixed period outlined above the interest rate will revert to Skipton International UK Buy-To-Let Follow on Rate.
- Skipton International UK Buy-To-Let Follow on Rate is currently 7.49%.
- Existing customers will find the revert rate applicable to their current mortgage product detailed in their mortgage offer letter.
- Monthly Payments must be made by direct debit on the first working day of each month.
- The maximum loan size to any individual, together with connected persons is £5 million.
- The minimum loan size is £100,000 for individuals (further advance £25,000).
- 5-Year Fixed Rate rental income is required to be 125% at the product pay rate. Reducing to 110% rental cover if qualifying criteria can be met. Please contact mortgagesales@skiptoninternational.com for more information.
- Should you choose to repay your mortgage facility in full prior to the early repayment date, an early repayment charge will be calculated against the total outstanding mortgage balance. Overpayments of up to 10% of the mortgage balance can be made in any one year without penalty. A year is defined from the date on which the mortgage was drawn or new product selected whichever is the latter. Please note this facility cannot be rolled over into subsequent years if the facility is not used in any one year.

How much can be borrowed?

Annual rental income of 125% (based on a simple interest calculation at 7.99%) is required for UK Buy-To-Let mortgages, unless the 5-Year Fixed Rate is selected for which the rental income is required to be 125% at the product pay rate and subject to the loan to value bandings below. Please contact our mortgagesales@skiptoninternational.com for more information.
