## Portfolio Landlords

Once an applicant owns, or will own as a result of their proposed purchase(s), four or more mortgaged buy to let properties, they are classified as a "Portfolio Landlord" in accordance with the Prudential Regulation Authority definition. At this point lenders are required to apply enhanced affordability checks.

If you are a Portfolio Landlord as defined above, Skipton requires any properties within your portfolio, that are mortgaged via other lenders, to meet Skipton International's BTL affordability criteria. This means that rental income must provide a minimum of 125% interest cover, when interest is calculated on total borrowings at a rate of 6%. This calculation is applied to all BTL properties mortgaged outside Skipton International on a collective basis. In the event of a rental shortfall, the application will be declined. In addition;

- Skipton International can offer a maximum of 5 BTL properties to any one client
- On completion of any Skipton mortgage application(s), the total number of BTL properties held by all borrowers cannot exceed 10.
- Skipton International will allow a maximum of 3 BTL properties, within the whole portfolio, to be held within any 1 post code district, eg. SW1, in the event of more being held the application would be a decline

The above is not exhaustive, it's just a guide. If you require any further assistance please feel free to call us on 0044 (0)1481 730 730 and a member of our sales team will be able to help you.

## Self employed

If you are self employed, verification of your income is required. This can be completed by one of the 13 leading accountancy firms and networks which are listed below:

- Baker Tilly International
- BDO
- Crowe Horwath International
- Deloitte
- Ernst & Young (EY)
- Grant Thornton International
- HLB International
- KPMG International
- Moore Stephens International
- PKF International
- Price Waterhouse Coopers (PwC)
- RSM International
- UHY International

Please see below for the link to the template to be completed by one of these accountancy firms.  
<https://www.skiptoninternational.com/sites/default/files/uploaded/forms/Accountants%20Certificate.xlsx>

Three years accounts will be required and an average figure will be taken. However, if the third year's income figure is lower than previous year's income figure, then the lower figure will be used for the mortgage application.

## Loan to value parameters

Our criteria on maximum loans for buy to let properties are as follows (subject to product conditions):

Loan Amount	Maximum LTV
Up to £450,000	75%
£450,001 - £750,000	70%
£750,001 - £1,000,000	60%
£1,000,001 – £3 million	50%

### Example:

Graeme and Sally Clark are currently living in Germany where Graeme works for a large international car manufacturer.

At present they don't have a property in the UK and although Graeme has some pension plans in place, he's keen to purchase a house which will acquire rental income and hopefully appreciate in value providing a good investment for his retirement.

They want to purchase a house in Cardiff for £200,000 to rent out. To purchase this property with a Skipton International mortgage of £150,000 (75% LTV) will require an annual rental income of £11,250 per annum to cover mortgage payments. If the rental was lower a smaller mortgage would be available or a 5 year fixed rate mortgage might be suitable, as its interest rate may support a larger mortgage (please ask for details).

They will also need deposit of at least 25% or £50,000 (or more if the rent was insufficient to support a loan of 75% LTV).

Prior to purchase, the property value and rental yield will be confirmed by a Skipton International surveyor and a full application pack and supporting documentation will also be needed, translated into English if a foreign language document.

(A calculation rate of 6.0% and a rental cover of 125% was used, eg: £150,000 x 6.0% x 125% = £11,250. On the 5 year fixed, a calculation rate using the interest rate and rental cover of 125% will be used).

## Unacceptable properties

- **Energy Performance Certificate (EPC) for properties in England and Wales only**

From the 1st April 2018, all Landlords will have to ensure rental properties meet a minimum Energy Performance Rating of E in order to be able to create a tenancy (unless exempt under the current regulations). Properties that are graded F or G are classed as substandard under the legislation and cannot be let.

As such, Skipton International will only be able to provide mortgages against rental properties with an EPC of A to E inclusive.

Skipton International will require applicants to supply a copy of a current EPC relating to the security property at the time of the Mortgage Application.

Skipton International reserves the right to request the provision of an EPC at any point during the life of your mortgage.
