

Introduce a friend and receive

Simply by recommending a friend to Skipton International you could receive £200 on completion of their Jersey mortgage.

If you're recommending our services, simply fill out the form on the reverse, pass it to your friend and ask them to enclose it with their application. There is no limit on the number of rewards for which you may qualify.

Account Name:										
Bank Name:										
Account No:										
Sort Code:						-			-	
Signature:										
Recommended friend's name:										

Are you recommending them for: Mortgage Savings

Scheme Rules

1. Our "Recommend a Friend" scheme is solely for the benefit of existing customers of Skipton International whose mortgages have been maintained in accordance with our normal terms and conditions. The scheme is designed as a promotion, which may be withdrawn at any time.
2. Only bona fide mortgages will qualify under the Scheme, which means that no rewards will be arranged until the newly recommended customer's mortgage completes. Loans granted are subject to our Lending Policy.
3. No further advances taken out by existing borrowers will qualify for the scheme.
4. Only one reward per relationship will qualify for the scheme. Rewards will not be given for each person (where there is more than one applicant named on the mortgage).
5. In the event that Skipton International considers that the scheme is being abused, for whatever reason, we reserve the right to refuse to offer a reward, having first explained why.
6. This scheme is not open to employees of Skipton International or the Skipton Building Society Group.
7. For a reward to qualify a mortgage application must not have been previously received from any other source.
8. This form must be submitted to Skipton within 30 days of receipt of a mortgage or savings application. Any "Recommend a Friend" application received outside of this 30 day window will not be paid.
