17.4 Assignment and Transfer

17.4.1 Skipton may sell, assign or transfer Skipton's rights and obligations, including the Loan and any security held by Skipton, to anyone at any time without the consent of the Borrower or any Obligor. If Skipton sells or transfers any or all of its rights, benefits or obligations the rights and obligations of the Borrower or any Obligor hereunder will stay exactly the same but the Borrower and any Obligor will be bound to any person or organisation to whom Skipton may sell or transfer and that person or organisation will have all Skipton's rights and powers and Skipton will be released from its obligations so far as these are assumed by that person or organisation.

If any term hereof is unenforceable against any one or more of the Borrower(s) or Obligor(s) none of the rest of the Borrower(s) or Obligor(s) will be released from their obligations of the Mortgage Offer Document or these General Terms and Conditions of Lending from Skipton.

17.7 Waiver of Rights

If Skipton waives any part of the Mortgage Offer Document or these General Terms and Conditions of Lending, whether in writing or by some other means (for example agrees for any given period of time to amend terms), such waiver will not constitute a complete waiver of the Borrower's or any Obligor's obligations or liabilities, nor shall it mean that Skipton forgoes any rights or interest, but rather that Skipton agrees to a temporary suspension of its application for the given agreed period of time. Furthermore any waiver will not restrict the ability of Skipton from taking action against the Borrower or any Obligor for breach of the Mortgage Offer Document and/or these General Terms and Conditions of Lending.
